

Who Should Be Dating Whom in 2007?

Eminem's on-again, off-again relationship with Kim Mathers ended with a second divorce this year. Shanna Moakler -- the former beauty queen who recently squared off with Paris Hilton at a Los Angeles club -- might have the moxie to keep the rap legend in check. "She's his type physically," said relationship columnist April Masini, "and mature enough to be [a] stepmother to his daughter. Someone get them a reservation at Hyde, pronto."
