11 fun ideas that don't involve santa

Go Team!

You may be averse to tackling a major project over the holidays, but having everyone home is a great time to take advantage of an open schedule and extra hands—especially when you can create something that you can all enjoy for years to come. Relationship expert [April Masini](#) suggests coming together to build a tree house or a side table—some kind of family project that allows you to work as a team on a common goal.
