Get into position

Lie facedown on the bed, with your legs straight and hips slightly raised. Time to show off those squats you've been doing!

What's the benefit?

This position creates a snug fit, so your guy's stuff will seem even larger (good for him) and penetration more intense (great for you).

Next level move:

Some shallow thrusts and deep breathing will help him last longer.

Can't figure it out? Picture this:
