### 5. Matching Lingerie

And not because men are picky about colors or fabrics. Rather, guys prefer coordinating lingerie because it shows the woman put extra money and energy into clothes no one gets to see but him, says relationship expert April Masini, author of *Think & Date Like a Man*. So consider springing for a new set of matching unmentionables next time you want to give your spouse a sexy surprise. For a double dose of allure? Choose a pair in red.
