Too Much Too Soon

"I know this sounds backwards, because for most guys, if you're willing, he's ready -- but a guy who's looking for Ms. Right, doesn't want someone who's too easy for the long term. And if he's looking for a wife or a long-term girlfriend, and you acted more like a one night stand, he's going to look elsewhere."

-- Relationship expert and author, April Masini; AskApril.com

7 / 7

It can be frustrating and confusing looking for the love of your life and if you're the type of person who enjoys meeting new people, going on multiple dates is probably a lot of fun. If you're more shy or reserved, these first dates could be stress-inducing and even more so when you can't figure out why you didn't get asked on a second date. I asked relationship and dating experts if they could share some of the top reasons men and women don't get asked to go on a second date and guess what, it may not be all your fault. If you've been on more first dates than second ones, there may be a good reason why. Click through for 7 reasons you didn't get that second date! -By Devan McGuinness
